

Safe Comfort Home Care: What to Expect During Home Visits

At Safe Comfort Home Care, we understand that inviting a caregiver into your home is an important decision. Our goal is to make every visit comfortable, respectful, and focused on your individual needs.

Before Services Begin

Before care starts, we will:

- Complete an initial assessment of your needs and preferences
- Discuss the services you would like to receive
- Develop a personalized Service Plan
- Answer any questions you or your family may have
- Schedule services based on your preferred days and times

Arrival of Your Caregiver

During each scheduled visit, your caregiver will:

- Arrive at the agreed-upon time
- Introduce themselves and maintain a professional appearance
- Follow your individualized Service Plan
- Respect your privacy, dignity, and personal preferences
- Provide services in a safe and courteous manner

Services Provided During Visits

Depending on your Service Plan, services may include:

Personal Care Assistance

- Bathing and personal hygiene
- Grooming and dressing
- Toileting assistance
- Mobility and transfer assistance

Household Support

- Light housekeeping
- Laundry and linen changes
- Meal preparation
- Dishwashing and general household tasks

Supportive Services

- Medication reminders
- Companionship and conversation
- Safety monitoring
- Assistance with daily routines

Communication and Documentation

Our caregivers document services provided during each visit and report any concerns or changes in condition to agency supervisors.

We encourage clients and family members to communicate openly with our staff regarding:

- Changes in care needs
- Scheduling concerns
- Questions about services
- Suggestions for improving care

Your Rights During Home Visits

As a client of Safe Comfort Home Care, you have the right to:

- Be treated with dignity and respect
- Participate in decisions regarding your care
- Accept or refuse services
- Have your privacy protected
- Voice concerns or file complaints without retaliation

Safety and Emergency Situations

Your safety is our priority. If an emergency occurs during a visit:

- The caregiver will follow agency emergency procedures
- Emergency services (911) may be contacted if necessary
- Designated emergency contacts may be notified
- The agency will document and follow up on the situation

Our Commitment to You

Safe Comfort Home Care is committed to providing dependable, compassionate, and professional care that helps you remain safe, comfortable, and independent in your home.

Safe support. Comfort at home. Compassionate care.
